Crazy Fashions Express Individuality

Sometimes footing around in some of those crazy, mod toe socks of booming colors rattling off the tongue twisting recipe for that mouth watering sandwich relaxing in graphic T-shirts or comfortable overalls known as "Ha-Ha's"

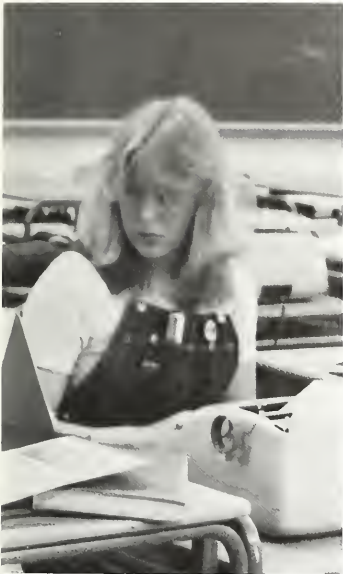

expresses it, but perhaps

releasing one's anger by calling a foe "TURKEY"
suing up in outfits as a member of a past era
exhibiting one's posterior extreme in the form of a "moon"
jiving with, "Give me five on the side, in the hole— You got soul!"

depict's one's feelings more strongly, or possibly

reaching out to help someone in need of physical aid or friendship
giving the last ounce of effort to achieve that final perfect performance
living to search for whatever your soul may be in quest of
demonstrates the individuality of a person existing just once in this world

Discovery of Life's True Meaning Begins in Youth

Youth, a once in a lifetime chance to really live. A brief span of time containing opportunities for all to explore the various facets of life. And much more important is the opportunity to explore oneself, trying desperately to discover what the purpose of life is, and being free

to decide. Free to follow, change, or even abandon the ideas, standards, and stereotypes that are offered so willingly as advice.

Free to relish days so harried that self-reflection seems impossible and moments of joy when surrounded by friends.

Upper Left: Students search for locker space during a tornado drill. Bottom Left: Band director, Mr. Shaffer, oversees the Halloween parade. Center: Doug Heckler is announced 1975 Milkmaid Queen. Upper Right: Seniors wait to give blood. Bottom Right: Boys, too, learn to cook and sew. Above: The library provides peaceful study.

Youthfulness Lives on in Memories

And yet, most complain of days which drag into eternity. Everything seems to stand still. Who is to blame?

Youth comes but once. Experience what its like to belong to friends, to feel the glow of making someone happy, to express feelings; whether through poetry or compositions or through participation in ruled competition.

The aspects of youth are broad, not a path straight and narrow. Dissect a worm,

go fishing, take art, learn to type, go to a show, visit the zoo, sing around a bonfire, cheer at a ballgame, make a snowman, walk barefoot in the rain, ride a bike . . . love yourself and others. Love Life.

These are the years in which a person is formed. Ideas and people will change later, but the changes will be minor and each change alters only slightly the foun-

dation of goals, morals and character that take shape during adolescence and young adulthood.

Be proud of youth and wear it well. Do not ever regret trying to attain a goal, for these are the precious years that are longed for after a time. No one returns. No, no one. And one man occupies only a minute fraction of the time that has been and is yet to come.

Orientation to Graduation Day Blues

With graduation day an old life ends and a new one begins

Reflections are the only means of carrying us back and then only in spirit for a moment, to:

The first excitement of cheering for a high school team, your team

The tremendous pressure of a semester final, be it in biology, algebra, or some other course

An expression of creation in the construction of a class float

The romantic mood of that first slow dance with someone special

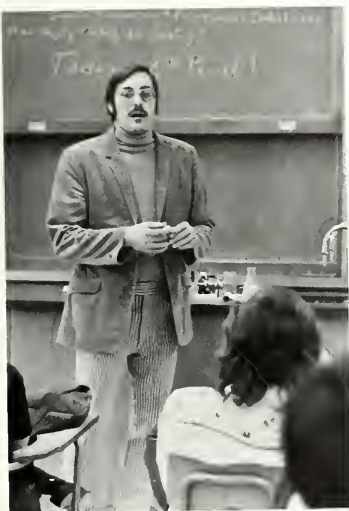

United laughter uttered as Miss Kitty Litter brought peace back to the West?

That little bit of cheer which the voice of Belmont never failed to summon up
The hard efforts of many who entertained

the rest the best they could in that once a year performance, the pops concert, and the satisfaction when it ended—a job well done

The anxiety of competing on a freshman, reserve, intramural, or varsity team
A last tear drifting down, silently saying good-bye—BHS

Memories of days spent here shall fade but never die

If You've Got the Time We've Got . . .

Bellmont's 1974-75 Homecoming activities were highlighted with the crowning of King Phil Fennig and Queen Janice Seitz at half time ceremonies, as the Braves defeated Columbia City, 28-22.

Juniors took first place in the float contest with "If you've got the time, we've got the team to lick 'em." The sophomore and senior classes took second and third places respectively.

Senior attendants for the October event were Rozelyn Ripley, Yvonne Sheets, Jim Hackman, and Ken Thieme. Underclass attendants were juniors, Marci Smelsar and Jeff Terhune, sophomores, Patty Heimann and Jim Engle, and freshman Steph Gass and Danny Hakes.

Athletes Honored at Desserts

"The main goal of our dessert banquets are to give mention to everyone, not just the starters, who have participated in sports," stated Mr. Al Harants.

Special acclaim was given to athletes receiving individual awards through conference nominations along with team awards.

The three dessert banquets included recognition for all those athletes who participated in fall, winter and spring sports of the 1974-75 school year.

Linda Myers Reigns as 1975 Queen

Anxiety and excitement best described the halftime of the Belmont-Adams Central game, Feb. 14th when Doug Bieberich, senior class president, announced the outcome of Silver Arrow voting. Linda Myers escorted by classmate, Dan Spangler, was crowned 1975 Silver Arrow Queen by Rhonda Miller 1974 Queen.

Other candidates nominated for the honor were Linda Peters and Deb Abbott. Mike Fruchte and Brian Andrews were their escorts. Junior attendants were Becky Faurote and Donna Dyer escorted by Mike McConaha and Jeff Terhune. Mary Beth McConnell and Tony Baker served as crownbearers.

The cheerleader-sponsored event featured a dance in the student commons after the game featuring "Bull Rush".

'Diary of Anne Frank' Successful

Under the first year direction of Mr. Ken Hoverman, a cast of ten students presented a successful production of "The Diary of Anne Frank".

Rose Schultz portrayed young Anne, while Doug Heckler and Mary Rhynard portrayed her parents, Mr. and Mrs. Frank. Other actors who helped make the play a success were Rob Stonesifer, Tim Brazill, Ed Fifer, Julie Kintz, Ed Fink, Deb Reese, and Steph Hakes.

With standing ovations these Bellmont students gave their presentations on April 18 and April 19 and it was recognized as a truly talented play with our fine young actors.

Pop Concert Mixes Movie Madrigals

From the Keystone Cops and their zany adventures to "Godspell", and from "Bonnie and Clyde" to "Jesus Christ Superstar", the 1975 Pops Concert revealed the unforgettable past of movie mysticism.

Performances included a tribute to the long to be remembered Walt Disney and his character Mickey Mouse, a medley of hits from the ever-popular Beatles, a portrayal of the "Pinball Wizard" from the movie "Tommy", and many other selections from the movies of the past and present times.

Wayne Porter sang the popular song, "Lady" by Cliff de Young, while Gary Reed sang the "Theme from Bonnie and Clyde". Other solos included Laurie Myers, Carol Ross, Mary Rhynard, Mary Girard, Susie Bloomberg, Myra Miller, Terry Rider, and Kent Freeby.

The band, pom-pom girls and the concert choir under the directions of Mr. Larry Shaffer and Miss Lorraine Weklar put all their efforts together to make the May concert a true delight with mystical music.

With decorations of silver stars, blue ribbons, and wrought iron garden furnishings, the junior class presented "Stairway to Heaven" as the 1975 Junior-Senior Prom was held on May 16 in the commons area.

Music for the occasion was provided by "Gas, Food and Lodging", a group from Ft. Wayne. Bellmont's own Brave Generation also sang for the affair.

For the first time ever the juniors provided a before prom banquet held at the Community Center for the couples to attend. After prom plans included bowling at Villa Lanes and parties and the usual get togethers for the couples.

Mr. Dave Cole, local photographer, was present to take color pictures of those couples wishing them.

Forty-Nine Seniors, Hoosiers Scholars

Seniors Mike Hoopingarner and Tim Brazill were co-awarded the 1975 George Gilbert Award at the eighth annual Senior Awards Day, May 21.

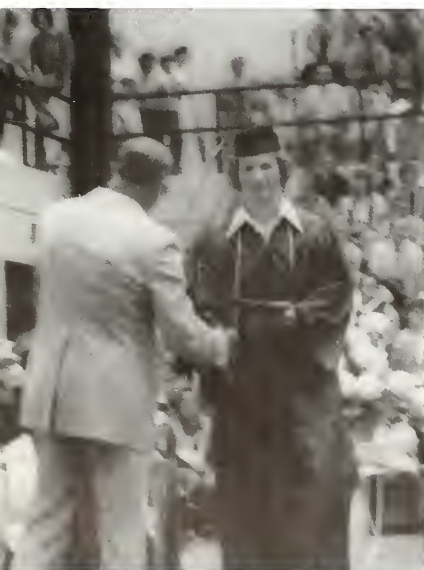

Forty-nine seniors earned the honorable title of "Indiana Hoosier Scholar" while Paul Rumschlag was announced as a finalist in the National Merit Scholarship contest.

Tim Brazill was also awarded a \$4,000 a year scholarship from the Eli Lilly Foundation to attend Wabash College in the fall of '75.

Approximately \$83,000 was awarded to seniors for a four-year period of time.

The already announced valedictorian, Valerie Painter and the years co-salutatorians, Vickie Painter and Ken Thieme were also recognized at the awards assembly.

251 Seniors Bid Final Farewells

Receiving diplomas, reversing tassels, saying good-byes, and tears of joy and sadness filled the gymnasium on May 25 as 251 seniors graduated from Bellmont.

The 1975 graduating class combined the Baccalaureate and Commencement services which were held at 2:00 p.m. on the Sunday afternoon. Rev. Noel Reed read the scripture and Rev. Richard Ludwig gave the sermon for the Baccalaureate service.

The concert choir sang the selections, "The World Goes Rolling On," and "It's My Day" as the seniors were all together for the last time at Bellmont.

The 1975 valedictorian, Valerie Painter, and the co-salutatorians, Victoria Painter and Ken Thieme, presented last remarks of their memories of Bellmont and their plans for the future.

INTERPRETATION

Art Dept. Displays Student Creativity

Due to added courses, Belmont had a record high enrollment in art courses.

The communication art II class made T.V. commercials in which each student prepared, photographed and acted in a commercial which was later reviewed by the class. Equipment was obtained through the audio-visual department.

The design II class worked on decorating a tree for the commons during the Christmas season while the general art classes made ornaments which were hung in the entrance hall at Belmont.

In Mrs. Pilkington's class students learned objective drawing from non-objective design. Students drew a still-life in pencil then rearranged them and sketched their drawings in charcoal.

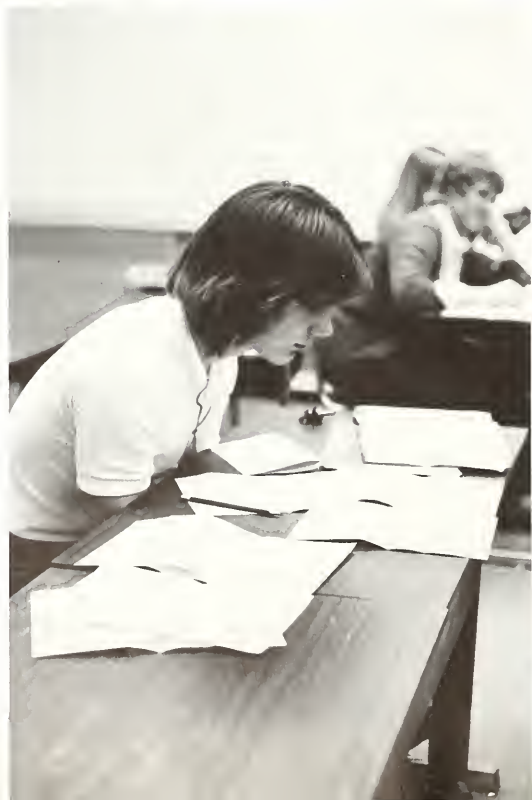

Throughout the year a majority of the types of art work are exhibited in the display cases near the commons.

National Secretary Week April 21-25

Students taking office procedures learned how to operate the different types of machines by use of a rotation plan. Students worked on all the machines for one or more weeks at a time. Machines used on this plan included several types of calculating and duplicating machines, a transcribing machine, an IBM executive typewriter, and also the PBX telephone in the office.

Students enrolled in typing II worked with an Office Job Simulation where they would be working for a distributor of office equipment. Each student received a work packet which contained all the forms necessary for a secretary to complete in one week's time.

April 21-25, recognition was given to all secretarial students with guest speakers from local businesses throughout the week.

Simulation Games Aid in Class Studies

To bring the theories of psychology into personal and practical experience, Mrs. Heimann's psychology students were very active. One of their experiments included a "Woman and Man" simulation game. The class was divided according to sex. The women then strove to prove their equality or superiority, while the men attempted to prove that women are lower than they are. Not everyone agreed on what was said but everyone learned the power that stereotypes hold over people.

The political arts and sciences class taught by Mr. Bittner and Mr. Metzger also held a simulation game, but in this case, the class was divided into a Senate and House of Representatives. Students were selected to act as governor and lieutenant governor. Class legislators composed and introduced bills to the class. Everyone received first-hand experience of the problems which confront the legislatures.

Upper far left: Cindy Lovellette, senior, reviews her notes before a test in her social institutions class. Upper middle: Juanita Herndon, sophomore, listens attentively as Mr. Craig Campbell explains the problems of today's civilization. Above: Judy Merriman, senior, makes up a test for state and local government while Mr. Ronald Bittner gives her final instructions. Left: Taking exact notes for his state and local government class is Jim Braun, senior.

Child Care, Sewing, All in Home Ec.

The boys' family living class, taught by Mrs. Phyllis Houk, planned a special hour for Head Start youngsters. The class baked cookies the day before and served them with milk. The children watched a filmstrip and played games with the class.

At the end of each semester, the bachelor living class entertained guests at meals they prepared themselves.

For a study in child care, Mrs. Chronister's home economics II class brought in children from ages 5 months to 5 years. The class enjoyed observing the children as they played with games and toys.

One of the projects of the advanced foods class included preparing an entire meal from a foreign country. Guests were invited to help enjoy the meal.

String Art Adds a New Dimension

Mr. Brice Smith added a new twist to the completion of homework by allowing the students in his college algebra classes to use calculators. The fifteen battery-operated pocket calculators were purchased by the math department to lighten the work load of the advanced classes.

Algebra I, instructed by Mrs. Hebble, tried something new this year. The students were assigned to design and make their own string art picture. They began with a board, nails, and odd pieces of string and created beautiful designs.

When asked what the significance of such a project was, Mrs. Hebble commented that string art gave the student an unusual challenge—to mathematically figure out his own pattern, to see the correlation of a one-to-one correspondence to math and to provide a unique experience not generally found in the field of math.

Bottom Left: Mr. Welch shows Joyce Hamrick that there is a right and a wrong way to work a problem. Bottom Right: Cindy Hullinger, freshman, has been assigned a problem to be worked at the board. Upper Right: Mrs. Hebble examines string art.

Expanded Department Leads to New Skills

With the purchasing of a Hand Letter Press and a TIG Welder, the Industrial Arts Department expanded their scope of training this year.

The Graphics classes printed programs for all school activities while the Drafting classes drew up prints for vacation homes.

In the field of electronics, computer components and intercoms were built, while radios and TV sets were also repaired. The Woods II classes built barns for sale.

Auto Mechanics I classes worked on small engines while the second year classes repaired automobiles.

Upper right: Industrial Arts instructor, Mr. Pilkington, aids seniors Steve Pilkington and Larry Reed in repairing a lawn mower motor in Power and Transportation I. Bottom right: Kent Alverson and Dan Busse work together on a metals project. Upper left: Randy Lehrman, junior, nails the trim on one of the barns made in Woods II class.

Bottom left: Terry Hullinger, junior, checks the valve to see if it is done after using the valve grinder. Upper right: Marcus O'Campo works with the cetaline torch in Metals I.

Science Dept. Offers Variety of Courses

The animal production class made it's annual trip to Lengerich Meats, Inc. "First hand observation by the students helped each one realize the work and skills necessary to produce quality meat." Also, they went to the home of Ed Stoppenhagen to see cage-layer operation. Students received information pertaining to care, feeding and management of the poultry operation.

Several guest speakers from Indiana and Purdue Universities came throughout the year to talk to the students of the science classes.

Mr. Sprunger's Biology I class demonstrated the influence of male hormones in promoting the development of secondary sex characteristics in a project involving chickens. Another class spent time collecting fish from the Bellmont Pond and classifying them according to species. It was the first year for independent study classes in biology and chemistry.

Above: Observing the effect starch has on leaves in a photosynthesis experiment are Steve Schmoll, sophomore and Steve Schwartz, freshman, in biology I. Upper Left: Doug Heckler, senior puts the finishing touches on his preserved muskrat in his biology independent study class. Upper Middle: Senior, Rose Schultz examines the bone stain of a bat in biology independent study. Upper Right: Heating up magnesium for an experiment in chemistry I is Tammy Baker, junior. P.V.E. Students Take Standard Courses

In its third year at the high school level, the Pre-Vocational Experiences class can be considered as being very successful.

Classes this year consisted of vocational english, general science and other high school level courses.

"Occupations Preview," a special class taken by all P. V. E. students this year, was designed to acquaint each student with the types of jobs that are available in the community. Community employers spoke to the class concerning occupational offerings, requirements for employment and expectations from employers.

The Individualized Occupational Training Association Club was concerned with promoting responsible citizenship, and academic achievement among its members.

One activity of the I. O. T. A. club was a beautification project where the students collected and dispersed of trash from the school grounds. The students also planned a Thanksgiving dinner for their parents in appreciation of guidance given throughout the years.

Bottom Left: Deb Krueckeberg and Valerie and Vickie Painter expand their German vocabulary by playing Scrabble. Bottom Middle: Cindy Reese and Ginny Schultz study their Spanish III assignment together. Bottom Right: The Spanish IV class, taught by Mrs. Banks, study a paper-back book.

Diane Wins Study Trip to Italy

The high point this year in the Foreign Language Department was a seven week study trip to Italy and Sicily won by Diane Schweier, an independent study student in Latin. However, there was also a very low point. Miss Vera, an instructor of both French and Latin, decided to retire. She was given a necklace by Latin I and II.

The French classes made flowers that were worn on their costumes to the annual French Club party.

Students studying German played German Scrabble and Bingo to broaden their vocabulary skills. After the weather became warmer, they challenged the Spanish students to a game of soccer, German football.

Spanish students created lovely pinats for their Christmas decorations. They climaxed their year of study by taking an exciting, informative trip to Mexico.

Band and Choir: Assets to the Community

The choir and band both took high honors this year. The Brave Generation, comprised of twenty Belmont junior and senior students, performed approximately twenty times in the 1974-75 school year. They appeared on television twice: once the Wayne Rothkeb Show and also on the 4-H in Action program.

First place medals were awarded to the BG's at both District and State Competition. The girls ensemble also placed first.

The Belmont Marching Band captured top honors at the Three Rivers Festival parade and retained their title, "The Pride of Adams County," by placing first in the Berne Halloween parade.

Love, Film, Sports, All Available

Bellmont students have been required to take three years of English. In the Language Arts Department, a large variety of courses was offered to the students to fulfill the necessary three year English curriculum. These courses were denoted by various "phase" numbers such as 1-2, 3-4, and 5; the higher the number, the more advanced the course. The student was to select the course into which he felt he fit.

A wide selection ranging from sports special, comic spirit, exploring the film, and the meaning of love to vocabulary and spelling and advanced composition was available. Another field to explore in Language Arts was journalism.

Phys Ed Offers Variety of Co-ed Sports

Physical education classes enjoyed such co-ed sports as: volleyball, softball, dodgeball, and square dancing.

The department of physical education had the assistance of two student teachers this year. Mr. Ron Kuhnle assisted Mr. Miller in the boys P.E. classes and Miss Sally Bunch taught the girls P.E. classes under the direction of Mrs. Hebble.

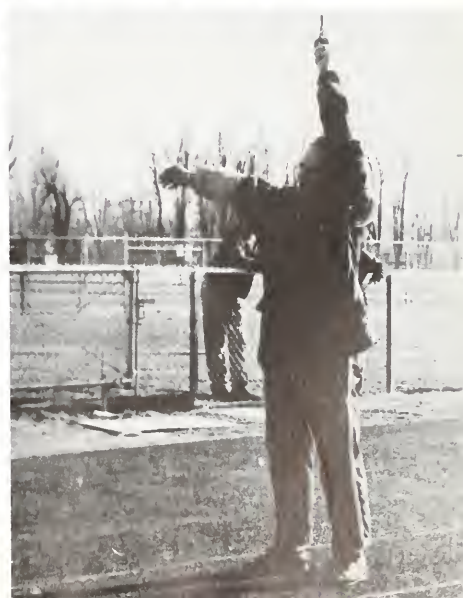

The boys P.E. class participated in the fields of football, dodgeball, tennis, swimming, and wrestling.

Girls P.E. classes enjoyed recreation in track and field events, softball, volleyball, swimming, tennis, badminton, bike riding with a picnic, hockey, and dancing.

PURSUIT

Dedication, Hard Work, Key to 8-2 Season

With a combination of talent, experience, and a desire to succeed, the Braves rolled to a best ever season of 8-2.

Although the NEIC crown eluded them, the Braves scored more points than any other team in the school's history while giving up the fewest number of points.

Commenting on the success of the season Coach Harants stated, "They were one of the best teams I've ever coached, and certainly one of the most versatile. The kids wanted to win, were easy to coach, and even more exciting to watch."

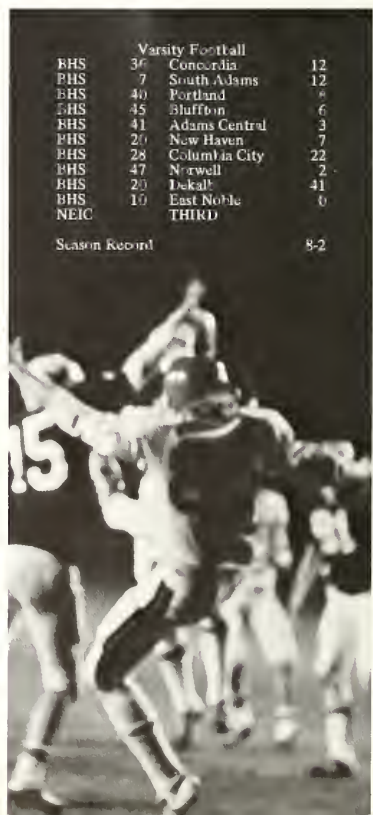

First year quarterback Steve Hormann set a school record by throwing 16 touchdown strikes, 9 of them to Mike Hoopingarner, also a school record. Three year letterman Tim Brazill entered the Belmont record books by becoming the all-time leading scorer in Belmont history with 23 touchdowns and 2 extra points.

Individual NEIC honors were given to 3 first team members, while another 3 were honored on the second team. Those receiving an honorable mention to the All-State squad were seniors, Tim Brazill, Mike Guise, Mike Hoopingarner and junior transfer Dan Barnett.

Reserves Claim 4-3 Season Slate

With the reserves posting a 4-3 record, and the freshman recording a 1-5 record, underclassman started building for future varsity squads.

Although the freshman squad struggled to a 1-5 record, Coach Pilkington felt that they showed a lot of potential and will provide some good players for future Belmont squads.

The reserves proved more successful in their 4-3 season including two shutouts over Norwell and South Adams. Leading ground gainers for the junior Braves were Jeff Rambo, Bill Voirol, and Mike McConaha, while the leading receiver of Doug Hormann's passes was Mike Colclasure with 18 receptions for 406 yards and 6 touchdowns.

Young Team Finishes Strong

Despite a slow beginning, Bellmont's cross country team finished strong with six victories in their last nine meets, defeating a tough Adams Central squad, 30-31, to capture the County Title.

Leading the Braves this year was Jim Engle with 143 varsity points, followed closely by Paul Shaffer with 128. Eight runners posted times under 14 minutes this season, setting a new Bellmont record.

Looking forward to next year, first year coach Lou Hatke stated, "We should get off to a better start next season, and thus improve on this year's record." Coach Hatke has reason to be optimistic for he will have six returning lettermen.

3 Netmen Post New Records

After dropping their first match Bellmont's netmen recorded 6 straight victories, finishing the year with the most victories in Bellmont history and an 8-3 record. The Braves were led by undefeated doubles team, Scott Odle and Chris Marbach, and Tom Hoopingarner, who lost only once in singles competition, and completed the season with a combined 18-2 record for singles and doubles competition.

A new system for both the conference and sectional tournaments was installed this year placing more emphasis on team play. The new system hurt the Braves this year, as coach Mark Young felt Odle and Marbach may have advanced to state competition.

Although the new system hurt the Braves this year, Coach Young feels it is a good system, because a team must have more than one or two good players to win.

Next season looks promising as the Braves will have four returning lettermen.

Miller Adds Sophomore to Varsity

In Coach Miller's second year at Bellmont, the Braves ended with a 10-11 season. Exhibiting some inconsistency, they did, however, post wins over good teams such as, Bluffton, the NEIC champs, and Norwell, winners of the 1974 South Adams sectional.

In scoring, the Braves were paced by junior Rick Schauss with 397 points and Luke Leitz and Mike Hoopingarner with 297 and 260 points respectively. Schauss was also the leading rebounder with 203 while Mike Hoopingarner set school records in four assist categories with most assists in one game, 11, a season, 109, a career, 215, and an assist average for one season of 5.1. Taken from the reserve squad, sophomore Mike Coclaure sparked the Braves as a varsity guard.

"Any time you win 15 of 20 games, you had a pretty good season," stated John Cate on his reserve ball club. "Even our losses were all close, as the combined point spread was 15 points, for an average of 3 points deficit in each of our losses," continued coach Cate.

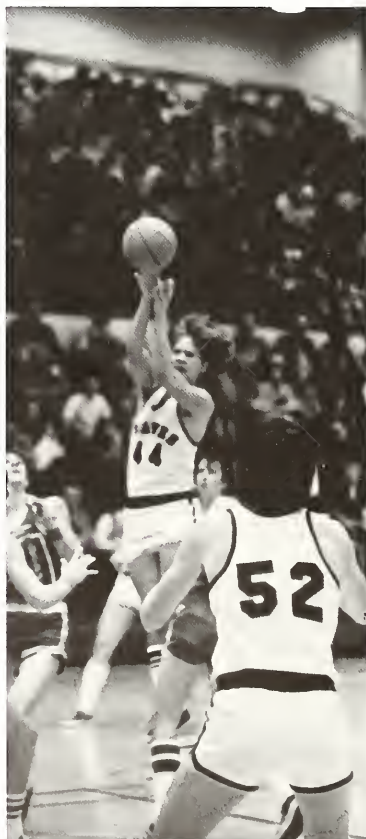

Leading scorer and rebounder for the junior Braves was Herb Schlemmer with 214 points and 155 rebounds. As a team, the Braves shot a good 46% from the field and an equally good 70% from the charity stripe.

The freshmen, however, were not so fortunate as they managed just four wins in eighteen games.

Coach Gary Busse, however, felt that despite the poor record the frosh Braves showed potential, with occasional flashes of brilliance.

Three New Records Highlight Season

Three new records were set by Bellmont swimmers this season, as the tankmen posted their second consecutive winning season. Junior co-captain Ted Baker established new marks in the 200 and 500 yard freestyle. Senior Chris DesJean eclipsed his own record in the one meter dive with a mark of 261.80.

In the tough Kokomo Sectional, Coach Mark Young's youthful team finished ninth. Excellent performances were turned in by Tom Shoup with a sixth place finish in the 100 yard breaststroke, and by Chris and Kate DesJean, who finished fifth and seventh respectively in the one meter dive. Kate, along with senior co-captain Gail Nielson were the only girls competing in the Sectional.

Coach Young is optimistic about next season as he will have 17 returning letter winners.

Braves Capture Regional; Send Three to State

With approximately 1500 screaming fans backing them, Belmont's matmen dominated the Regional wrestling tournament held at Ft. Wayne North Side. Six Wrestlers advanced to the finals, with Bruce Thieme, Vic Beer, and Greg Mankey coming out victorious. Thieme went on to capture fourth place in the state meet.

In addition to the Regional crown, the matmen under Coach Al Kalver fashioned a perfect 10-0 slate in dual com-

petition. The Braves also captured their fourth consecutive NEIC and Sectional crowns.

Coach Kalver felt that depth was his team's overall strength this season. He stated, "We were strong in every weight class this year. This was one of the best if not the best Bellmont wrestling team to ever take the mat."

Victor Beer, Mike Seitz, Dan Barnett, and Bruce Thieme also gained recognition as High School All-Americans.

Reserves Go Undefeated; Frosh 2-1

Following the varsity's example, the reserve wrestling team under Coach Dennis Hays also compiled a perfect 10-0 season. Leading the way for the junior matmen were juniors Mike Snyder and Mike Briede, who went undefeated.

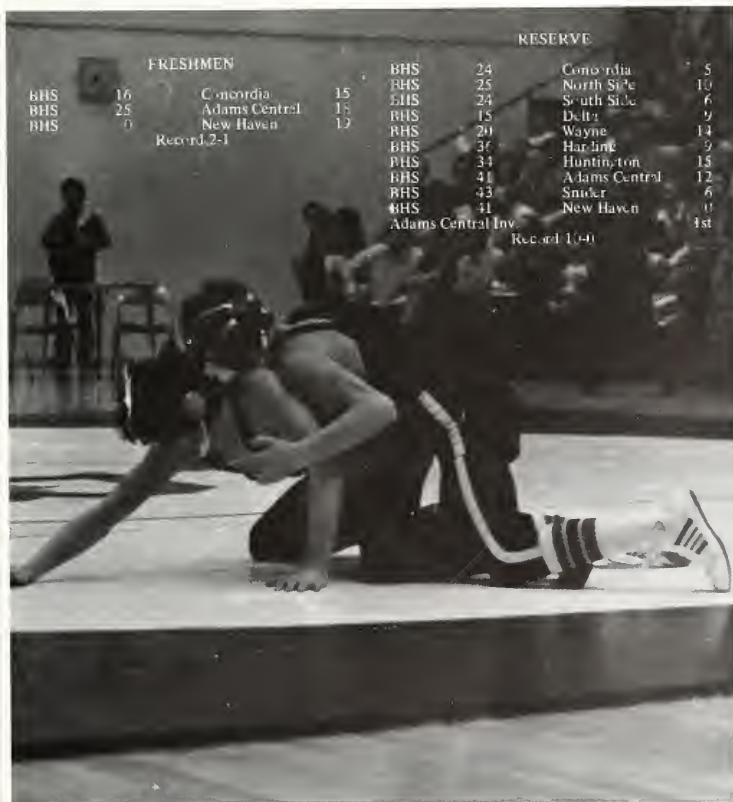

The reserves also took first spot in the Adams Central reserve wrestling tourney. All thirteen grapplers advanced to the final round, where eight of the matmen walked off with victories.

The freshmen, also under Coach Hays, wrestled only three matches, finishing with a 2-1 mark.

Reserves Record 6-9 Season

The reserve track team finished the season with a 6-9 record. Several freshmen and sophomore members of the squad competed in Relays held at Salamonie, where the team earned seventh place.

Coach Lou Hatke stated that many members of the reserve team are just out of junior high and are not used to high school competition. He feels that the experience and taste of competition that they get from the reserve team will help them when they move up to varsity.

Prone Team Fires for 1st in State

Bellmont boasts five state champions in Chris Loshe, Paul Lengerich, Scot Lengerich, Steve Baker, and David Wiseman, the prone team of the BHS rifle club. The members of this team aimed successfully at the bulls-eye; ending their season with a 9-0 record.

Mr. Charles Abel's instruction of basic gun safety and rifle handling also paid off in a second place finish in state competition for Belmont's three-position team. The members of this team are: Fred Kunkel, Greg Kitson, Mark Ruble, Nancy Kunkel, and Charlie Brune.

Approximately fifteen years old, the BHS rifle club is believed to be the second-oldest school rifle club in Indiana. Members compete each year in the Tri-County Marksmanship Shoot-Off, out of which Belmont's outstanding individual places won the red team a second place conference finish and the blue team a third.

3 Records Broken; Miller to Regional

Record breaking performances by Tim Brazill in the 440 with a time of 52.3, Mike McConaha, who ran a 2:03.4 in the 880, and by Mark Fruchte, who eclipsed the old low hurdle mark with a time of 21.2, highlighted the track team's season.

Explaining the season, Coach Lou Hatke stated, "We ran against some tough schools, to give the boys a taste of competition. By running against good competition we hope to improve everyone's individual times."

In addition to juniors McConaha and Fruchte, sophomores Engle and Miller head the list of returnees. Shotputter Steve Miller broke the fifty foot barrier on several occasions late in the Season. His second place finish at Sectional earned him the right to advance to the Regional.

Golf Team Wins Adams Wells Tour.

While capturing the Adams-Wells County tournament, placing second in the NEIC conference, and fourth in the sectional, the golf team posted a 13-5 record this season.

Senior Jeff Sheets posted the low average for the Braves followed by Steve Rumple, Luke Leitz, and Ron Stevens.

Stevens, however, shot well during the conference as he posted a score of 76 for 18 holes to capture medalist honors for the Braves.

During the season, the Braves also set a school record by shooting a 147 against Harding in a 147-160 victory.

Braves Win Blackford Regional

Featuring a stingy defense and strong pitching by Ron Puteet and Dale Franze, the Braves captured their first sectional title in five years with a 3-2 victory over Heritage.

Defense was the key for the Braves throughout the season as they allowed only 15 runs in eight conference games, while nabbing second place.

Dave Bischoff led the Braves in hitting while Mike Hoopingarner led in runs scored and stolen bases. Ken Thieme and Ron Butcher paced the Braves in the RBI department with over 19 apiece.

Strong Defense Aides 7 Victories

After dropping their first three games, the reserve Braves, under the direction of first year coach, Bill Bolander, came back to capture seven straight, to finish with a 7-3 record.

Led by the hitting of Gene Harkless, with a .413, the reserve Braves sported six players with .300 or better batting averages, and hit .277 as a team.

Commenting on his team, Coach Bolander stated, "I was real proud of how they came back, they played well together and should provide a good nucleus for Belmont teams to come."

Strong points for the reserve, added Coach Bolander, were defense, and getting the big hit at the right time.

Bellmont had more athletes, 17, named to first team conference squads than any other year in Belmont history. Upper Right: Junior transfer student, Dan Barnett, quickly made his presence known through the conference by leading the 8-2 Braves in tackles and defensive points from his linebacker spot. Upper Middle: Luke Leitz continued his consistent kicking for the Braves as he was repeated the top kicker in the conference. Upper Left: Three baseball players from the sectional champion Braves gained conference honors. Leftfielder, Dave Bischoff, led the Braves in hitting through the season's campaign and set a school record with the most singles in a season. Ace hurler, Ron Puteet, made it for the second straight year by posting a 5-1 conference record, while writing Belmont's record books in the pitching department. Fleet footed centerfielder, Mike Hoopingarnier, was also a first team selection as he set school records in stolen bases and led the Braves in runs scored. Bottom Right: Ron Stevens, third year letterman as a junior, paced the Braves in the conference by shooting a 4 over par 76 to gain medalist honors. Bottom Middle: Despite being injured against Bluffton, Ed Fifer came back to be recognized as the top conference center. Bottom Left: Heading the group of NEIC elites were these ten conference champs, who led the Braves to a devastating 177-76 demolition over conference foes. From left to right: Kevin Mahlan, senior champ at 138 lbs., and sectional champ, Rick Rambo, senior at 128 lbs., Bruce Thieme, senior, also regional champ, and fourth place at state. Dave "Peachy" O'Campo, senior, was the 119 lb. champ at sectional. Greg Mankey, only a sophomore who at 98 lbs. won sectional and regional. Row 2: Dan Barnett, junior, at 167 lbs. who also won sectional. Bill Schultz, sophomore. Dave "Bear" Delong, senior, who captured his second conference and sectional championship and was narrowly defeated in his bid for a state berth. Mike Seltz, senior at 177 lbs., and Victor Beer, also repeated at the conference and sectional levels and captured a regional crown as well as being the state AAU champ in his weight class.

Males Aid Female Pep Spiritors

Sporting blue sweatshirt outfits, 30 Belmont boys went out to support our basketball team this year.

For the first time in Belmont history, the cheerleaders were assisted by seniors Ed Fifer, Ken Thieme, Dave Bischoff, Scott Miller, Brian Andrews, Doug Heckler, and Gary Moser. These seven volunteered to go out before the game and assist while others cheered along with the cheerleaders to put more enthusiasm into the Belmont fans.

The Boys pep block also presented a skit during the pep session before the game against Adams Central. The skit included the Adams Central beauty queen candidates and the returning beauty queen.

The 1974-75 officers were: Pres., Doug Heckler; V-Pres., Ken Thieme; and Sec.-Treas., Jim Wilson.

Squaws Post Third Undefeated Season

Posting an undefeated season record of 8-0, the Squaws still maintained their three year winning streak. Pitching to catcher, Nan Mankey this year was Ruth Miller, while Laura Gaffer acquired the highest batting average.

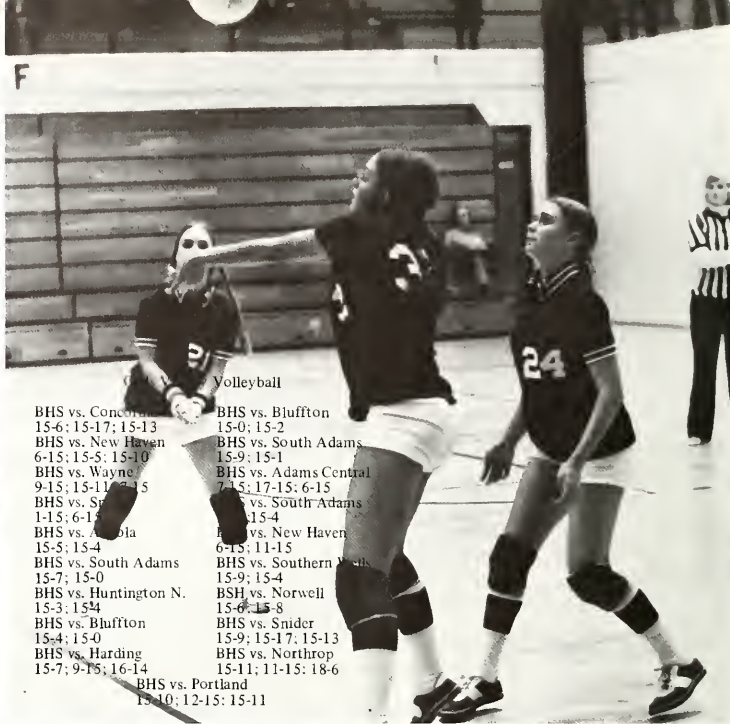

The outstanding game of the season was against Adams Central as the Squaws came from behind in the last inning to win, 10-8.

Coach Barb Baker felt the team did an outstanding job this season since there was a lot of pressure on the girls to maintain their undefeated status.

Closing out with a 15 to 4 season record, the Squaws leave behind their best year in volleyball competition.

Leading this year's team were co-captains Carol Bulmahn, and Judy Merriman.

The Squaws had their best games in competition against Snider, Harding, and Northrop, as they featured tremendous team play.

Although the team let themselves down in the sectional, Coach Hebble felt the Squaws will be more determined to win next season.

Squaws Out Shoot Rival Concordia

Starting their season with a victory over Portland, the Squaws closed with a very fine record this year of 6-3. Leading the team in scoring this year at the varsity level were Anita Wagner and Mary Braun, seniors. Mary was also elected captain by the team.

The girls had a very hectic schedule this year, and Mrs. Hebble was very proud of the tallest team she has coached so far at Bellmont.

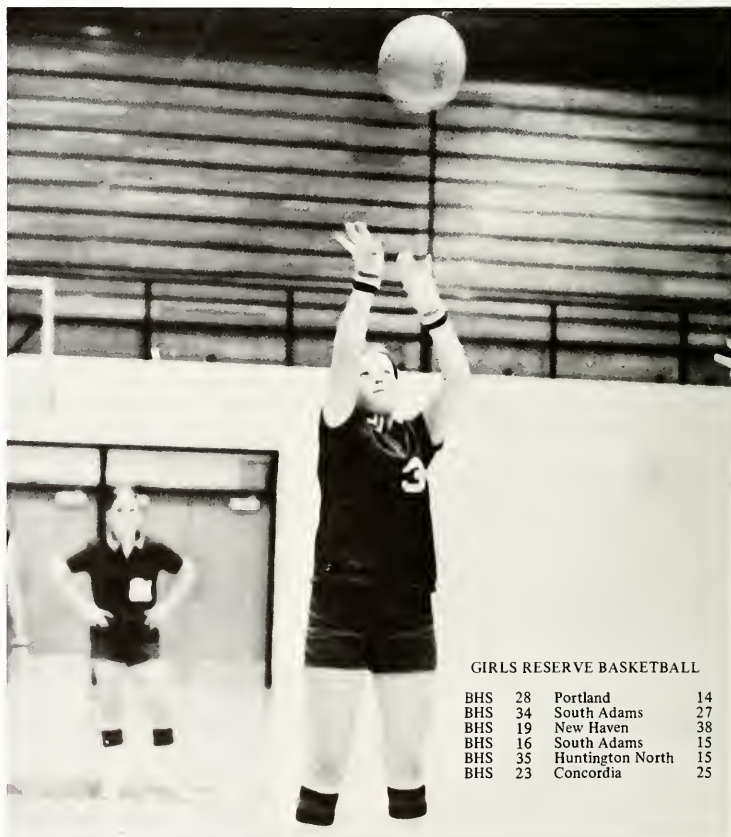

Also beginning their schedule with a victory over Portland, the reserve team closed out their season with a record of 4-2.

Squaws Capture 2 of 3 Sectional Trophies

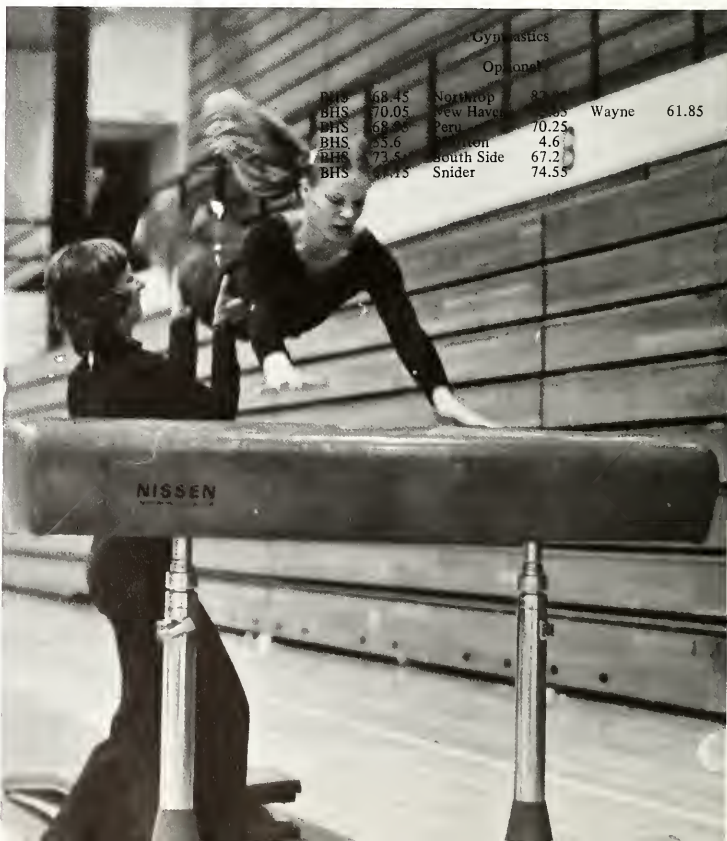

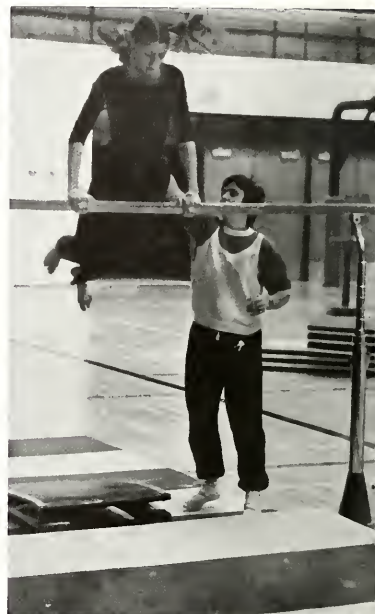

Bellmont's girls' gymnastic team captured their second consecutive sectional crown at the optional level and their first at the intermediate level.

For the first time this year Bellmont competed on all three levels of gymnastics, beginning, intermediate, and optional. In order to enter stronger optional and intermediate teams in the sectional, Coaches Barb Baker and Phyllis Hebble decided to drop the beginning team.

Copping top honors in the sectional, the Squaws advanced to the Blackford regional where they placed second against Snider. Nan Mankey placed first in vaulting at the regional level, which allowed her to go on to state where she placed eleventh.

High point winners on all three levels were awarded trophies this year. Those receiving the honors were: Doreen Pierce—beginning level, Valerie Painter—intermediate level, and Nan Mankey—optional level.

Coaching the team since it began four years ago, Coach Hebble announced that this was her last year to coach gymnastics at Bellmont.

One Goes to Regional in Shot Put

For the first time in the history of girls' track at Bellmont, nine girls were sent to the sectional, one advancing to the regional. Judy Merriman captured second in the shot-put with a distance of 34'4" in sectional, which enabled her to continue on to the regional. Placing ninth in regional, Judy outdistanced seven other girls with a toss of 34'9".

Bellmont's female tracksters, coached for the first year by Nancy Geimer, recorded a 3-5 season, out scoring Wayne, Huntington, and South Adams. Seventeen of the girls lettered in track this year.

The varsity squad was chosen as the grand champion squad by the ASCC staff over 40 other participating squads based on their spirit, participation, and originality shown throughout the camp. Senior Nan Kiess was selected "Miss Cheerleader" at the conference.

The reserve cheerleaders attended the Dynamic Cheerleading Association camp at Anderson College and the Golden Eagle Cheerleading School in Springfield, Ohio.

The girls bowling team took first place honors at the state bowling tournament in February with a total of 2243 points.

Sophomore Sandy Hakes captured third place in the individual series with a total score of 472 points. Other series scores were: Becky Smitley, 436; Beth Schmoll, 458; Linda Blythe, 456; and Tammy Harkless, 421.

CREATION

Student Council Backs First Career Day

To help broadcast the opinions of the student body at Belmont, 34 individuals comprised our student council this year.

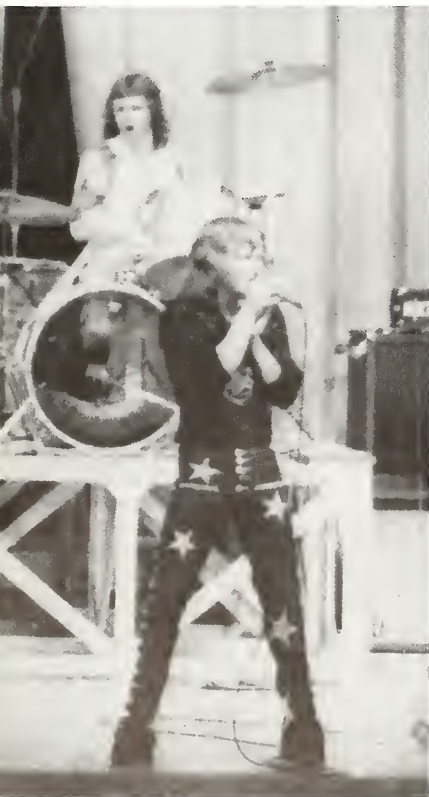

Many new topics were brought forth such as; outside privileges during study halls and open lunch periods.

Main activities for the year were the Homecoming Dance, Career Day and scheduling assembly programs. Each month two students (one boy and one girl) were selected as candidates for the Elk's "Student of the Month" award. Then at the end of the year, members of the student council check the accomplishments of all the candidates to elect a student of the year.

Officers for the 1974-75 year were: Pres.; Tim Brazill, V. Pres.; Mike McConaha, Sec.; Deb Abbott and Treas.; Doug Heckler.

Seniors Have End of Year Picnic

Maintaining a B to B+ grade average, 31 new members were inducted into the National Honor Society on the basis of leadership, character, and service in and out of school.

Two candidates elected for the 1975 National Honor Society scholarship were Mary Rhynard and Ken Thieme.

Being unable to obtain first aid kits to sell in order to have money for a banquet, the seniors held a pot-luck picnic. The seniors then entertained themselves by playing tennis and softball.

This was the first year that seniors had to purchase their honor cords for graduation. Previously they were purchased with funds from the treasury.

Officers for the year were: Mike Hoopingartner—Pres., Rose Schultz—V. Pres., Jeannie Selking—Sec., and Ken Thieme—Treas. Next year induction will be by "tap".

New Money Project Is Little Ivy

In April, new members were initiated into the "Deutschverein." After the induction ceremonies, members were served refreshments.

Many social activities were conducted by the German club, including a September wiener roast, an October hay ride, Christmas caroling and a party. Their special project was wrapping Christmas gifts which were given to the local Mental Health program.

Officers for German club were: Mary Rhynard—Pres., Ken Thieme—V. Pres., Nate Fink—Sec., and Becky Patch—Treas.

French Club Aids Needy in Vicinity

French Club (Le Cercle Francais) is for those students of the third level in the language of French with an interest in the language, the culture of the people in the country, and many of the interesting sites in France.

There were many activities throughout the year such as; a Halloween party, a French party for all those taking French, and a picnic for the new members.

Special projects were Thanksgiving baskets for three widows and many Christmas gifts for a needy family.

Officers for the 1974-75 school year were Pres.; Mike McConaha, V. Pres.; Kevin Buckingham, Sec.; Cindy Teeple, and Treas.; Donna Tuszynski.

Sweetheart Banquet a Big Success

"You Are the Sunshine of My Life" was the theme of the second annual Sweetheart Banquet in the Bellmont Commons on March 22. Sunshine members and their dates enjoyed a dinner and dancing with music furnished by Dream.

Candles were sold at Christmas to make money. Some of the profit was used for favors given to teachers each holiday.

Peanut Pal week took place February 10th through the 14th with each member picking a girl's name and then doing something nice for her each day of one week. At the end of that week each "peanut pal" revealed her identity to the girl she had picked.

Sunshine officers were: Carol Bulmahn Pres.; Kris Melching V. Pres.; Nan Kiess Corr. Sec.; Carol Krueckeberg Rec. Sec.; and Pat Boerger Treas.

Throughout the years at Belmont the Quill and Scroll Society has been established for those students with fine journalism achievements from both the Legend and Brave Talk staffs.

A banquet was held at the end of the year for all present staff members and those assigned to new staff positions for the coming year. Editors for the 1975-76 staffs participated in the journalism workshops at Ball State University to prepare for the coming year.

Officers for the 1974-75 school year were Pres., Paul Rumschlag; V.-Pres., Vickie Painter; Treas., Mike McConaha; and Sec., Valerie Painter.

Office Work Enriches Knowledge

Office Education Association was made up of twelve members this year. In O.E.A. one learns office procedures of a business, while going to school a half of a day and working a half of a day.

A car wipie was scheduled to help raise money for a banquet, which is held at the end of each year for all business organizations (D.E., V.I.C.A., O.E.A.).

Officers for the 1974-75 school year were: Pres.; Deb Abbott, V. Pres.; Barb Schueler, Sec.; Danna Niblack and Treas.; Joyce Schultz.

Students Learn and Earn Money

Being able to work and earn money while getting class credit is exactly what 30 students did by participating in the Distributive Education program.

Preparing the student for work upon leaving high school is the main purpose of the program.

Scatter pins were sold to raise money for the banquet at the end of each school year along with the O.E.A. and the V.I.C.A. programs.

D. Schweier Wins Italian Trip

One of the four foreign language clubs is the Junior Classical League. The Junior Classical League was established to help the members become aware of the world's Latin areas.

Activities throughout the year included a Christmas party and caroling, a banquet held in April, state and national conventions and regularly scheduled meetings.

Officers for the 1974-75 year were: Pres.; Tom Jackson, V. Pres.; Diane Schweier, Sec.; Deanne Evans and Treas.; Martha Kolowski.

On-The-Job Training Is Big Success

On-the-job-training is another name given to the V.I.C.A. organization. The organization enables students to go to school half-day and work half-day. At work their boss grades them on the hours they put in and their skill at the job.

V.I.C.A. sponsored a Fish Fry to help raise money for a banquet, which is held at the end of each year for all the business organizations. (D.E., E.O.A., and V.I.C.A.)

Besides money-making projects several field trips to local industries were set up along with raising two dogs for seeing eye training.

Officer for the 1974-75 school year was Pres.; John Miller.

Students Live in Mex- ico for Week

During the past summer students had their knowledge of Spanish broadened by spending one week in Mexico. Money for the trip was raised by selling hot chocolate and doughnuts at football games, and having a bicycle raffle at Christmas.

One family's Christmas was made happier as the Spanish club gave a county family a basket filled with food.

Initiation of new members was in January, and a party for the senior members of the club was in April.

State Contest Earns Choir 34 Gold Medals

Bellmont hosted the fall Choral Festival with Bluffton and South Adams. Special guest conductor was Dr. Larry Boye from Ball State University.

The annual Pops Concert entitled "Musical Movie Magic" was presented May 9th. It involved all choir members with programs, sets, and costumes. Hours of practice were put into mastering dance

steps and songs.

Under the new direction of Miss Lorraine Weklar, 19 talented vocalists of the Brave Generation sang their way into the hearts of many as they performed for social functions, banquets, and church services.

Soloists Susie Blumenberg, Gary Reed, and Mary Rhynard each earned a first

place gold medal at the NISBOVA state contest for vocal solos. The Brave Generation and the Girls' Ensemble won gold medals for their performances. Laurie Meyer also won first place for her piano solo.

Band No. 1 in Three Riv- ers Parade

Long hours of practice proved successful this year as the Belmont band placed first at the Three Rivers Festival parade in Fort Wayne.

The Belmont band retained its title of "The Pride of Adams County" by winning the Berne Halloween parade for the third consecutive year. Band members sold fruit cakes and at Halloween opened a "Mansion of Terror" to help cut uniform costs.

The stage band consisted of 15 musicians who met twice a week nightly to practice for performances for local area groups.

The twirlers and Bravettes perfected routines to be done for the enjoyment of the audiences for football and basketball games. The Bravettes sponsored car wipes to buy new outfits.

At the NISBOVA state contest this year, band members brought home a total of 42 medals.

Science Club Visits Aquarium

The wonders of science were seen as members of the science club went on a field trip to Chicago to the Museum of Natural History and the Shedd Aquarium. Money for the trip was made by sponsoring a fish and tenderloin fry during the fall.

Several guest speakers were invited to club meetings with their topics ranging from population growth and decline to human ecology.

Seniors were honored with a party at the end of the year by other club members.

Officers of this years science club were: Greg Wemhoff—Pres., Jim Ehinger—V. Pres., Becky Patch—Sec., Greg Kitson—Treas., and Denny Noonan—Reporter.

Speech Team, Drama Club Stages Play

Members of the National Forensic League, more commonly known as the speech team, competed in many area and community meets and contests.

Mary Rhynard won eight first places during the year including a double first at sectional and sixth at state. Ed Fink placed fourth at sectional and seventh in regional. As a whole, the team finished fifth at sectional and seventh at regional.

Competing in community speech events were Doug Heckler, placing first in the Soil and Water Conservation and the county American Legion contests, and Julie Kintz and Louis Fink who each won their divisions of the Optimist speech contest.

Drama members presented the two-act drama play "The Diary of Anne Frank" at the Bellmont theatre in April.

Officers were: Mary Rhynard—Pres., Pam Brown—V. Pres., Beth Baumann—Sec., and Deb Reese—Treas.

Sitting: P. Brown, L. Meyer, B. Bauman, C. Reese, M. Rhynard. Standing: R. Krueckeberg, P. Schweier, D. Ludwig, J. Kintz, D. Reese, E. Fink, Mr. Hoverman—Sponsor.

Cheers Urge Teams to Victories

Showing off the school colors in a V-neck sweater vest, 140 girls supported our teams this year.

Pep Block members raised the enthusiasm of many Belmont fans both young and old alike.

Sponsors for this year's Pep Block were Miss Engle and Mrs. Heimann who helped supervise group meetings, plus the purchasing and distribution of Pep Block sweaters.

The officers of the 1974-75 school year were Pres.; Judy Brunton, V.-Pres.; Rosy Hobert, and Sec.-Treas.; Kate Tiesman.

Upper Right: When the Braves play basketball, the pep block's enthusiasm is sure to follow wherever they may go. Workshop Allows Idea Expression

Throughout the years at Belmont the Art Club has been established, but this year it went under a new constitution. To try and strengthen it under the new constitution, members were to be of a sophomore level and higher with a B+ average in the field of art.

Throughout the year the club sponsored many activities such as: a slide program on the history of the arts, developing and printing film, a Christmas party, and a field trip to L. S. Ayres in downtown Fort Wayne to look at many of the high school art exhibits. The end of the year brought the election of the new officers.

The officers of the 1974-75 school year were: Pres.; Myra Miller, V. Pres.; Lucy Davis, and Sec. & Treas.; Donna Tuszyński.

To Rodney

Senior class president, Doug Bieberich, presented the following tribute to classmate, Rodney Fifer, at the May 25 graduation ceremony:

Active in school events he was a member of the freshman and junior varsity basketball teams. In the summer before his junior year he was stricken with cancer. He continued in school functions while participating in intra-mural basketball and serving as school mascot in sporting events. Late last fall Rodney Fifer lost his hard fought battle with cancer. We will always think of him as the friendly and warm human being that he was. And the memories that we have of Rod will always be cherished.

Above: Freshman attendant for Homecoming is Steph Gass escorted by Denny Hakes while riding in their Homecoming float in the parade October 18. Left: Dennis Adams attempts to shoot a basket with Gene Harkless backing him, during a practice session while two other unidentified freshman boys practice in the background.

Cooks and Janitors Greatly Appreciated

Cafeteria: Mildred Stevens, Manager; Charlotte Schafer, Head Cook; Cooks: Leota Braun, Ester Ehrsam, Pauline Fisher, Viola Gallmeier, Mary High, June Meyer, and Geraldine Sprunger. Custodians: Richard Braun, Alvin Gerber, Leo Miller, Sean Reed, LaVern Roth, Harold Sapp, Richard Schieferstein, Gerry Simons. Matrons: Caroline Butcher, Marcella Gerber, Bonnie Johnson, Joan Ulman, Mrs. Augsburg. Right: Mary High turns away at the wrong time while Ron Darling eagerly awaits his lunch tray. Below: Matron, Marcella Gerber looks a bit surprised as she is cleaning the halls. Bottom: Charlotte Schafer, head cook, stands by the lunch line to punch all lunch tickets.

Upper Left: Pauline Fisher smiles while listening to comments from the other cooks. Above: Joan Ulman is greeted by a yearbook photographer as she sweeps the halls. Left: Viola Gallmeier looks surprised as she reaches across the counter to fill a lunch tray.

Thank You for All the Support

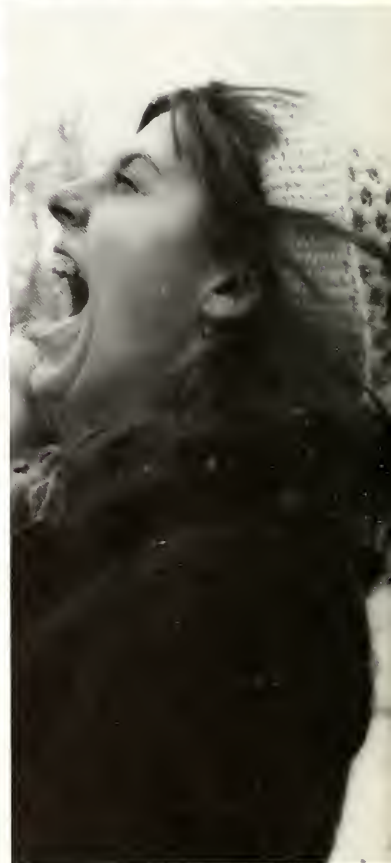

We would like to extend a sincere thank you to everyone who contributed their talents to the 1975 Belmont Legend.

A special thank you must go to Miss Carolyn Jackson and Mr. Fred Autenrieth, who instructed at the Tri-State journalism workshop. We would also like to thank the local merchants for their greatly appreciated support.

We are ever grateful to Mr. Dick Kennard, our yearbook representative, for his assistance in completing the small but very important details of the book. And without Mrs. Young, we never could have finished. Good luck and thank you again.

Yearbook staff—Row 1: L. Meyer, assistant album editor; M. Hartmann, academics editor. Row 2: P. Schweiher, album editor; D. Woebeking, organizations editor; S. Hakes, managing editor; B. Morgan, financial director; V. A. Painter, editor-in-chief; V. L. Painter, editor-in-chief. Row 3: G. Schultz, girls sports editor; K. Thieme, sports editor; P. Rumschlag, academics editor; A. Reifsteck, organizations editor; Y. Sheets, student life editor; D. Bischoff, sports editor. Not pictured: R. Moellering, photographer.

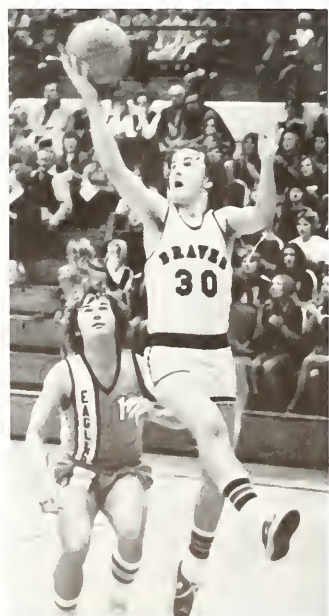

Work, Knowledge, Fun—Part of Yearbook

Far Upper Left: Deb Woebeking and Paul Rumschlag listen to Mrs. Young's ideas, while Paula Schweier and Beth Morgan work in the background. Upper Middle: Yvonne Sheets points a disapproving finger. Upper Right: Valerie and Vickie Painter go over some rough layouts. Above: Dave Bischoff seeks Mrs. Young's approval, while Yvonne Sheets looks on. Left: Ken Thieme observes a strip of negatives. Far Bottom Left: While taking a break, Annette Reifsteck catches snowflakes during the first heavy snowfall.

So we live for now, for never will it be . . .
